Bureau of Indian Affairs  
Crown Point, New Mexico

Dear Mr. Barber:

Further to our telephone conversation on Nov. 18; I have not yet received the letter you promised concerning access across the extreme NE corner of Section 24, T13N, R11W.

We are now drilling on Section 13 and I spent all of last week on the property myself. I personally checked the house in the NE corner of Section 24 and as of today there is still no one there and no fresh tracks coming or going from the house.

I would appreciate it if you could confirm that we do have access rights to the NE corner of Section 24, T13N, R11W all subject to the actual allottee objecting later.

Very truly yours,

G. Warnock
